Dear Mr. Yap:

Please find enclosed an amended April quarterly report from the Costello for Congress Committee, FEC #C00238444, in response to your inquiry.

Three contributions from political action committees were entered by the date of their postmark instead of by the date the committee received the contribution which made it appear as if 48 hour notices were required on these contributions when in fact they had not been received by the committee until after the 48 hour notice period was over.

Also on the April quarterly report it is noted that a redesignation was being sought on a contribution, however, it is not necessary as the contribution was designated for the general election.

If you would have any questions, please contact me at 618/397-9599.

Sincerely,

Mary Shalapin  
Treasurer
